

- what do I want to learn or understand better?
 - We've gotten better at effort estimation so last week's learning goal was a success! This week I'd like to be better at recognising when my team members need help so that we may collaborate better. Furthermore I intend to ask our supervisor if you should define a weekly/sprintly MVP to help prioritize
- how can I help someone else, or the entire team, to learn something new?
 - By planning meetings where information and knowledge can be exchanged.
- what is my contribution towards the team's use of Scrum?
 - I share my knowledge and try to cooperate when there's something we don't understand. Furthermore I help plan and lead meetings.
- what is my contribution towards the team's deliveries?
 - Team Reflection: I prepared and led the meeting where we had our team reflection as well as documented much of what was said. Furthermore I pushed the content to the repository I guess.
