

- what do I want to learn or understand better?
 - I want to know if these kinds of more conclusive reports are usually used in the industry.
- how can I help someone else, or the entire team, to learn something new?
 - By planning meetings where information and knowledge can be exchanged.
- what is my contribution towards the team's use of Scrum?
 - I share my knowledge and try to cooperate when there's something we don't understand. Furthermore I help plan and lead meetings.
- what is my contribution towards the team's deliveries?
 - Writing my part of the final Report.
 - Team Reflection: I prepared and led the meeting where we had our last team reflection as well as documented much of what was said. Furthermore I organised the meetings surrounding the final report. Furthermore I pushed the content to the repository I guess.
